

Creative Director: Cydney Bibbs  
Designer: Bridget McGinn

Notes:

Bridget and I exchanged numbers just in case either of us had any questions or if something came up. I also made sure to send my content brief and outline in Slack to her, sense some of the pdfs on our assignment sheet wont load up on certain browsers.

Topic: Afrofuturism

- What it is
- Who created it and who contributed to it

Possible Design Treatments:

- Home page MUST be a full sized image, if anything
  - That is the only real requirement.
- Intergalactic, space themed if possible
- Dark background, with stars perhaps
- Images of people can be bright neon colors if possible
- No illustrations, everything is photography.
- Still want it to be a clean modern look
- Perhaps a strong san-serif font would work
- Around 3-5 images on the main page

Exit Notes:

The content brief seemed to give Bridget enough information regarding the styling of the website. If she has anymore questions she can send me a quick text.
